S. No.	Title of the Film	Category	College/Institute	Duration	Synopsis
1	Love, Kush	Short Fiction	Symbiosis Centre for Media & Communication (SCMC)	00:12:35	The film explores the relationship of the mother and son, as they cope with the inevitable changes that come with adulthood.
2	I Am Arbor	Animation Films	Rochester Institute of Technology, New York	00:09:24	The experience and emotion of nature, from nature to nature.
3	Ram needs 75	Short Fiction	St. Joseph's College, Bangalore	00:30:00	The plot is set in the 80s and discusses one of the major problems of a student, "75% attendance" and the ignorance of the management about certain rules and their impact on the students. The story is a creative nonfiction that deals with real issues of students in a fictitious plotting.
4	Mirchi Café	Short Fiction	Whistling Woods International	00:15:00	A cafe harbours three stories; an ex serial killer is set on a blind date but he suffers from withdrawal symptoms controlling urges to kill his date; To escape a break up situation, a guy cons his girlfriend into believing that he is a contract killer; A death artist, an actor who is practising or doing method acting by dying in different places.
5	Wave	Short Fiction	Whistling Woods International	00:13:45	21-year-old girl, Naina stranded amidst heavy traffic and rain, enters a taxi. Tackling all the chaos caused by the ongoing protest. Raghu, a senior friend of Naina finds her in a taxi. As it was raining heavily, Raghu decides to sit inside the taxi without Naina's permission. After many failures to impress, Raghu decides to express his deep feelings. But the reaction what not he expected. Ego escalates quickly and Raghu starts assaulting her. Everyone around witnesses the assault in ignorant silence.
6	Teesri Khwaish	Short Documentary	Sri Aurobindo Centre of Arts & Communication	00:09:44	Whether the fog settles on the tracks tonight or not, a cloud of enigma consumes New Delhi Railway Station. Whether the train arrives at platform number 5 or not, we are promised a journey. What happens to the passengers who fall victim to the menacing station, who rely partly on the bookseller and entirely upon fate to reach home safely? Will a third wish be granted?

7	The Firefox Guardian	Short Documentary	University of the West of England - UWE Bristol	00:13:30	In this twelve-minute story, we follow Menuka, the first female forest guardian working with the Red Panda Network, as she tries to find a Panda juvenile to see if last season's wild Panda reproduction was successful. This film provides a unique window into the lives of the Forest Guardians and through their eyes, the life of the rarely documented endangered Red Pandas in the wild.
8	Understanding Moksha	Short Documentary	Annapurna School of Film and Media	00:15:00	The story is of Religion, God and us. If religion was to be compared to the moral tales that our grandmothers used to tell us when we were young, how is it being understood today? If God, the hero of the tale, is the portrayal of an 'ideal' human being, how have our ideals changed today?
9	Broker Street	Short Documentary	National Institute of Design	00:16:23	This documentary is an observation about the people who have been working in/around shops and their core work is to call customers inside, to the shop they are working in and get the maximum entry.
10	What is Water	Short Documentary	National Institute of Design	00:10:45	The project is to inform the people about the prevalence and commonality of suicide and the helpline to prevent it.
11	Roshan & Mani	Short Documentary	National Institute of Design	00:19:19	Through the lives of two elderly Parsi (Zoroastrian) sisters who are living together, we experience an array of human emotions- love, anger, helplessness and the reality of 'growing old'. With equal portions of humour and despair, we see how humans cope with mortality.
12	Rampatar - Dividing by a Platter	Short Documentary	National Institute of Design	00:16:12	The film looks at the practice of keeping separate utensils for the Dalits in Gujarat. It explores how the custom of Rampatar came into being and also looks how this system exists through its wedlock to the social fabric.
13	One Day to Next	Special Screening	Reliance Aims	00:05:25	With our constantly evolving needs and developing society, we are indirectly affecting the ecosystem around us. "One Day to Next" is a fictional story which picturizes through time on how the act of humans affected the life of an entire colony. We witness the story through the life of a bird and his family.
14	Matter	Special Screening	National Institute of Design	00:25:25	A series of incidences happens with a bunch of close-knit teenage friends who are preparing for an upcoming "matter" which ends up in an unexpected compromise.
15	Do Ghante Ki Baat	Special Screening	National Institute of Design	00:17:00	The story revolves around a 17 year old schoolgirl, Deepali. The film explores the nature of her fleeting aspirations and jealousies, and hints at the significance that tiny instances hold in shaping her larger acceptance of truth.
16	Nazariya	Special Screening	National Institute of Design	00:01:13	This film deals with general perception of people towards trans-genders and how trans-genders are trying to break that perception nowadays. The film is an encounter of a man with a transgender travelling in a bus.

17	Point & Shoot	Special Screening	Srishti Institute of Art, Design and Technology	00:25:00	The film attempts to understand the relationship of a traditional hunting community, the Yimchungrü tribe of Nagaland; with the animals and birds found in the forests around their village, Fakim. It shows the significance of hunting in a tribal society and the dilemma it faces in a rapidly changing cultural and ecological landscape.
18	Kathputli	Special Screening	Whistling Woods International	00:14:15	Two parallel stories of a king and a slum colony in Delhi, India and their fight for their land culture and heritage.

International Films - 23
