TO WHOMSOEVER IT MAY CONCERN!

Greetings from Career Bharati, India's leading online platform for career guidance and counselling. We are writing to you to offer internship opportunities for your students who are interested in pursuing a career in media and journalism. We have the following vacancies for interns:

- Intern Anchors: 05 Positions
- Intern Video Editors: 04 Positions

The interns will get a chance to work on various projects related to career awareness, education, and skill development. They will also get exposure to the latest trends and technologies in the media industry.

The internship duration is 3 months, with work from home and flexible working hours. The stipend is as follows:

- 50% of the positions are unpaid, whereas the other 50% will get a stipend of 1200 per month, depending on the profile and skill sets of the candidate.

The interns will also get the following perks:

- Certificate of experience
- Letter of recommendation
- Opportunity to work along with industry professionals and celebrities
- Flexible and liberal work place environment
- Opportunity to win goodies
- ESOP of the company in case the candidates perform really well during the internship

If you are interested in sending your students for this internship, please ask them to send their updated resume along with work samples (if any) to thecareerbharati@gmail.com by 17th January 2024.

We look forward to hearing from you and collaborating with your college for this internship program.

Thank you and best regards,
